

Dear Potential Sponsor,

At the Alhambra Educational Foundation (AEF) we believe that by supporting our students and schools, we are building stronger communities and investing in our future. **YOUR SUPPORT TODAY** provides and helps fund programs that enrich and benefit the students at all the schools in the Alhambra Unified School District.

This Fall 2019, the Alhambra Education Foundation will be hosting a Fall Fundraising Event **“Magic in the Music”** featuring 80’s DJ Richard Blade. In addition, we will have magicians, cartoonists, photo booths, BBQ throw down , food and beverages. This outdoor party experience will be located on Second Street between Main and Commonwealth and promises to be an exciting social affair and we hope will be an annual occurrence.

We need your help to make this a completely successful annual fundraising social event. We are searching for donors of food, dessert, beverages and prizes. In return your business will receive advertisement and you will be helping our thousands of kids for a greater education as we continue our mission for our “Music and More” classroom experience.

In January 2020, all our high school bands will be representing our school district by performing in the Tournament Roses Parade. AEF is helping with this mission by fundraising for the costs involved for uniforms, musical instruments, transportation etc. With your help, you will be a part of this process and give back to our community.

Thanks to your previous generous donations, the District is currently able to offer the Music & More Program that benefits our AUSD students. Every Kindergarten, First, Second and Third Grade student receive “Music &More” classroom experience and our 4th – 8th grade band/orchestra programs are buying new instruments, music and supplies. In addition, our high school students now have access to two additional college/career counselors.

Our schools are consistently top-ranked and our students are exposed to classes, programs and staff that would not exist without your support. These programs are funded by your donations to AEF. **WE NEED YOUR SUPPORT**, in order to ensure that these programs will continue next year.

Thank you for your consideration.

Sincerely,

AEF Fall Fundraiser Committee
